PRODUCTS AND SERVICES

Nature of Business

The Cool Ice Aircons (Pty) Ltd brand is a strong and a well-known business in Pretoria. The company with its associated brand is one of the larger players in the Heating, Ventilation and Air-conditioning and Refrigeration (HVACR) Industry in Pretoria and has exposure in the following major segments:

- **Air-conditioning Contracting** – the installation and revamping of large air-conditioning installations (i.e. central plant systems, ducted package systems) in industrial, commercial and retail buildings.
- **Ventilation Contracting** – the installation of ventilation systems in industrial, commercial and retail buildings.
- **Maintenance** – the scheduled Service and Maintenance of both air-conditioning and refrigeration equipment. This segment of the industry is growing rapidly with the Facility Management Industry
- **Retail** – the sale of Room Air-conditioners and refrigeration equipment to the domestic and medium to small commercial operations, including the service and repairs of these units.

CONTRACTING DIVISION

The Air-conditioning contracting division offers turnkey solutions.

RETAIL – SALES AND SERVICE DIVISIONS

Our product support

- The company has a 24-hour back-up and support system for our products. We offer a comprehensive programme of support for air-conditioning and refrigeration plant to ensure the smooth operation of equipment. Our spares store and supply chain are well maintained to ensure that downtime is kept to a minimum,

Outsourcing

- Certain clients, including blue-chips companies and the Provincial Government, choose to outsource non-core activities such as the maintenance of their air-conditioning and refrigeration plants.
- In these instances, we are responsible for servicing, maintaining and repairing their equipment, often reducing the cost of repairs through systematic and comprehensive maintenance programmes.

SERVICES

Cool Ice Aircons (Pty) Ltd provides the following **Services** to its clients.

- Air-Conditioning (Commercial, Industrial, Residential etc.)
 - Residential such as Midwall split units
 - Industrial and Commercial Air-Conditioning such as ducted systems, evaporative air cooling, rooftop packages, air-curtains, 4-way cassettes, under ceilings etc.
 - All servicing and repairs of residential, industrial and commercial units.
 - Service Contracts customized to each client's needs.

SUPPLIES

Cool Ice Aircons (Pty) Ltd provides the following **Supplies** to its clients.

- Any Air-Conditioning unit
- Air-Conditioning tools
- Piping & Isolation
- Arma-Flex
- Ducts
- Extractors
- Ventilation
